Please tell us about your lifestyle and what you are looking for in a dog. It is better to write a book than a few sentences. I want to know what personality traits you need in a dog, what life style the dog will have when it comes to live at your house, what is your day like from the time you wake up till the time you go to bed! This is all very important in helping me get to know you, your lifestyle and what dog is going to be the perfect fit! \_\_\_\_\_
